- Stopwatch and whistle
- Shin pads
- Drinks bottle
- Bootbag
- Goalie gloves
- 4 Training disks
- Ball pump

SHIN PADS
Size Small. To fit users of height between 120cm and 150cm.

MAINTENANCE
Clean with damp cloth or hand wash if necessary.
Inspect the shin pads at regular interval. If there are signs of wear or crack, please replace.

WARNINGS
Under extremely low temperature, the performance of the shin pads will be significantly reduced.
The shin pads will protect the wearer from minor blow and impact. However, they cannot offer full protection against injuries.
Any contamination, alteration to the shin pads, or misuse will dangerously reduce its performance.
Not suitable for children under 3 due to small parts and long straps which may represent an entanglement hazard.
Conforms to EN13061:2001
Made of: PE (plastic pads) & EVA (cushions).
