SAFETY GUIDELINES

This equipment must be assembled and checked by an adult. Two adults may be required to assemble this product. For family domestic use only. This product has not been designed for commercial use in play centers, nurseries etc. Adult supervision is required at all times. Only one child at any one time. This item is not designed for adults or for children weighing more than 45kg. Not suitable for children under 3 years, contains small parts.

For outdoor use.
Check all nuts, bolts and fittings for tightness and tighten if required.
Check all coverings for bolts and sharp edges and replace when required.
Check all means of attachments relevant to your product for evidence of deterioration. Replace when required in accordance with the manufacturer’s instructions if necessary.
Place the product on level surface at least 2 metres from any structure or obstruction such as a fence, garage, house, well, overhanging branches, laundry line or electrical wires.
DO NOT install the product over concrete, asphalt or any hard surface.
DO NOT orientate the product directly towards the sun.
Leave all fittings finger tight until assembly is complete, for ease of construction. Then tighten firmly.
Children should not wear cycle helmets whilst on this equipment.
Do not allow children to stand on any swing seats, slider seats or slide chutes relevant to your product.
Do not allow the children to get off the slide whilst in use.
Do not allow loose, hooded or baggy clothes to be worn as children can get trapped and may be unable to free themselves.
Do not allow children to climb on parts of this equipment not intended for this purpose.
Do not allow children to wander into the play area whilst the equipment is in use.
Do not allow children to slide head first down the chute, walk up the chute or jump or climb off the chute.
Regularly check the item for wear and damage, removing the item from use when necessary until replacement parts are fitted.
Failure to assemble and maintain this item as per instruction may cause injury to the user.
Please keep the instructions in a safe place for future reference. Conforms to EN71.
Made in China to European Standards.
